Cross of Christ

Foundation

Dear fellow Christians,

First, I would like to tell you who we are and what our goals are. We are a non-denominational, nonprofit foundation, consisting of believers in Jesus Christ. We want to spread the good news about salvation to others and bring hope to those who are hurting and lost.

We want to build a 120 ft cross that would be visible day and night. It will be seen by many travelers from all over the world. It will be a representation of God's sacrifice that was made for each of us so that we might have everlasting life. The cross will be placed on HWY 98 somewhere between Hattiesburg and the Alabama line.

We come to you today asking for your support and help in making this possible. The cross itself will cost around \$200,000. There will be other expenses, such as land, lights, pavilion, dirt work, parking lot, etc. Once the Cross is completed, there will be ongoing expenses yearly. We are asking that you please join us and become an active supporter and member. There will be ongoing expenses, such as power, lawn, insurance, and other upkeep. We believe we can do all things through Christ who strengthens us. This is not impossible.

There are around 15 crosses in the state of Mississippi already. We will be one of the first in the Southern part of the state. Please join us in making a stand for Christ in our area. Your support is greatly appreciated. Please feel free to call if you would like to speak to a representative or have someone speak at your church.

Thank you again for your time, and we hope, together, we can make this possible.

*For God so loved the world, that he gave His only begotten Son, that whosoever believeth in him should not perish,
but have everlasting life....*
